Partners in Prevention Meeting Agenda
June 6th, 2014

I. Welcome and Introductions

II. Presentation: Missouri College Health Behavior Survey 2014

III. Fiscal Year Closeout: Discussions with Jeanne Muse
   a. Jeanne was present to meet with each campus about outstanding receipts. If you were not present, you will need to work with her to ensure everything is in line with your funds. Jeanne’s email is musej@missouri.edu

IV. Campus Update on Title IX, Clery Mandates
   a. Wendy has compiled an Excel document on what our PIP schools are doing in response to Title IX. This will be sent out on the PIP listserv so you can use it as a resource.
   b. Campus specific updates
      i. UCM will be doing Green Dot and will be rolling it out in January. She is looking for contacts from other campuses that use it so if you do please contact Jenny Rabas at UCM.
   c. Dan looked into Campus Clarity and feels the program is appropriate.
   d. Peter Lake is developing an online training that would work for this requirement
      i. It is not finished but if you need an option, keep this in mind
   e. Jessica Gargus and a few others received an email from e-CHUG offering a free program to address the requirements. Does anyone know if this is a good program? Dan will be investigating for us if not.
   f. The National Guard is providing another great (& free) program. Kaizen
      i. They have facilitators throughout the state which allows them to take a more direct assistance approach
      ii. Truman has used this program and it was especially helpful due to the fact that there is no designated person in charge of this task there.

V. New Fiscal Year
   a. Updating Research Brief Mailing List
      i. This is our annual update where we ask you if everyone is still with your university and if the contact information is correct. Wendy will be emailing you with your current list and asking for changes next week.
   b. Updating PIP Contact List for your campus
      i. With contact changes and school name changes we would like to update this. A paper list was passed around at the meeting for each school to double check.
         1. If you were not in attendance but know you have changes, please email Wendy: waldenw@missouri.edu
   c. Use of PIP funds for e-CHUG for marijuana and alcohol
      i. Submit a PIP request to get these funds
      ii. You will still need to provide the data to e-CHUG
         1. PIP only takes care of the payment, not the other aspects of recertification
   d. Last Quarterly Report due July 8
      i. This is not only the deadline for this quarterly report but also for any outstanding quarterly reports
      ii. This is the SWOT quarterly report- grab a few coalition friends and get it done the best you can!

Check out PIP on Facebook at http://www.facebook.com/mopip or on Twitter @MissouriPIP
iii. Next year the quarterly report process will be very similar so it should be much easier the second time around

e. Strategic Plan due September 1
   i. You may request funds once PIP forms open in July (for orientations, summer welcome, etc)
   ii. Anything over 1/5 of your budget will likely not be approved prior to the submission of your strategic plan

f. PIP forms
   i. This will undergo quite a few changes
      1. Will likely look more like a conference registration form
      2. We don’t think many people have been checking their balances in the system so we will have someone email you a balance check periodically instead
      3. We will continue to monitor these changes until the updates seem to fit well for our PIP contacts
      4. Balances for the new year will be the same as last year:
         a. Public schools: $10,000
         b. Private schools and new additions: $3,500

g. Brochures and Briefs
   i. New brochures with updated contact information
      1. Again, if you were not at the meeting and you feel you PIP contact information has changed, email Wendy: waldenw@missouri.edu
   ii. Online brochure format
      1. This will be helpful when you need to link to certain health information
      2. You will be in charge of putting the links on your own websites where relevant
      1. Due to staff downsizing we will be cutting back to 12 briefs per year
         a. Topics that have been useful that we would like to see more on:
            i. Sexual assault
            ii. International students
            iii. Retention
            iv. Marijuana
            v. Social norming/misperceptions
         b. If you think of other topics you would like to see, email us! mastersj@missouri.edu
      2. Briefs are a great way to get our data out to stakeholders on your campus- on that note, don’t be afraid to share aspects of your data on your own!

VI. Partnership for Success
   a. Please turn in all receipts for Drug Take Backs and other PFS related expenses ASAP
   b. Promotional item update
      i. If you ordered items for today’s meeting, be sure to take them!
      ii. We are officially out of Rx T-shirts and tumblers. The Wufoo form will be updated to reflect this.
      iii. As we begin to run out of other items, we will brainstorm what we should order next!
   c. Update on some recent educational activities

Check out PIP on Facebook at http://www.facebook.com/mopip or on Twitter @MissouriPIP
i. Final survival kits- MU put together bags of promo items and Rx information and then advertised the giveaway. It worked well to bring students into their Wellness Resource Center and advertise all of the other services while disseminating Rx info.

ii. Orientation bags- Many schools are including promo items as a part of their “Welcome Back” bags. If you would like to do this, contact Wendy: waldenw@missouri.edu

d. Safe Disposal information for campuses
   i. We have a new poster on how to keep a valid prescription safe from others
      1. Contact Wendy to order copies
   ii. Locking caps
      1. These can be incorporated into freshman orientation in a variety of ways
         a. Mentioning them in parent presentations with reference to where to pick one up
         b. Promoting them at student health centers or pharmacies
   e. Check out your new prescription drug MCHBS data, if you see a need for a prescription drug program, contact Wendy to find out what your next step should be: waldenw@missouri.edu. The sooner you start planning, the better!

VII. SMART/CHEERS/Drive Safe. Drive Smart.
   a. Chelsie is the new contact
   b. Promotional items and CHEERS cards are available at the link below
      i. https://garners.wufoo.com/forms/cheers-chapter-order-form/
   c. Mailing will go to bars/restaurants in July/August
      i. This letter will ask bars if they would still like to participate and remind them of the resources available
      ii. We will send a copy of the letter to the primary PIP contact and a list of establishments in the school’s area

VIII. Suicide Prevention Update: Brainstorming on new promotional items
   a. We have a little money left over at the end of the grant so we are ordering items, what would you like to see? Email Kimi: kln9qd@mail.missouri.edu
   b. The grant is ending so ask for Ask Listen Refer items before it is too late!

IX. Upcoming Trainings
   a. Certified Peer Educator Training
      i. 3 campuses will have trainings in the fall, if they are near you and you have students that would like to attend, contact Joan and let her know!
         1. UMSL: August 1st and 2nd
            a. After the CPE training, there will be a prescription drug training
         2. Southeast: August 15th and 16th
         3. UCM: September 19th and 20th
   b. Advisor Training
      i. Due to having a few new peer educator advisors in PIP, we are offering a half day advisor training conducted by David Arnold
         1. It will be free and PIP can pay for a hotel if you attend
      ii. July 31 at UMSL
   c. UMSL Training
      i. Safe dating consent campaign is in the works at UMSL

Check out PIP on Facebook at http://www.facebook.com/mopip or on Twitter @MissouriPIP
ii. August 14th there will be a training at UMSL for peer educators to receive information on how to educate students on safe dating
d. Ethics Training
   i. Deadline to register is today!
   ii. Conference is at MU on Friday, June 13th
   iii. We have a variety of CEUs available through this
       1. CHES/MCHES
       2. Psychology
       3. Substance Abuse
       4. Social Worker
   iv. You can pay the $15 entry fee out of your PIP funds

X. Evaluation Update
   b. MCHBS 2014 Data Requests and Data Phone Calls: see [http://pip.missouri.edu/data](http://pip.missouri.edu/data) or email Dan at reillyd@missouri.edu for a data call
      i. Campuses that have already done this have mentioned that it is very helpful for working on their strategic plan
   c. Please let Dan know if you will be interested in implementing the 2014 Veterans Survey
d. Coalition Surveys
   i. PIP Survey- beginning week of June 23
      1. Tell us how we have done in serving you
   ii. Campus Coalition Survey- beginning week of July 7th
      1. Your coalition members will complete this survey to evaluate how your local coalitions are working
