

## WHEN USING A LOCKING CAP:

Make sure all of your medication transfers from the original container to the Locking Cap bottle

Transfer your prescription info to the plastic label holder

Do not use the Locking Cap bottle for medications needed in emergency situations

# YOU CAN HELP PREVENT PRESCRIPTION DRUG MISUSE BY KEEPING YOUR MEDICATIONS SAFE!

While 86% of Missouri college students do not misuse prescription drugs, those who do often access them through family and friends.

*(MCHBS 2014)*
